

Latex Certificate Course

Jacob Antony

September 3, 2020

1 Day 1

1.1 Verbtex installation

Install Verbtex application from Google Playstore.

(Note : Install a pdf viewer if you don't have one.)

1.2 Compilation of Sample document

Select Local Mode.

Create Project : Latex Course

Open Project.

(Note : Verbtex automatically opens document.tex file.)

Generate pdf.

2 Day 2

2.1 Document Title

Download day02.tex into Verbtex Project : Latex Course

Open Verbtex Application and Open Latex Course Project.

(Note : Verbtex automatically opens day02.tex file.)

Follow instructions from asg02.pdf

Submit day02.tex and Latex Course.pdf files.
